

Open letter to President Barroso - 53 companies and business and investor associations call for ETS reform legislation

24/10/2013

EURELECTRIC, together with 51 European companies and business and investor associations, has called on the European Commission to bring forward by the end of the year draft legislation for a structural reform of the EU Emissions Trading Scheme (ETS). A clear carbon price signal and long-term visibility are essential to drive investments and growth, they said in an open letter to European Commission President Barroso, published today.

The open letter is available [here](#).
